

# Passing Game

## How to

Each of these sets of connected letters can be used to spell the full name of an NFL team (such as New York Jets). Start at one of the letters (which is for you to determine) and move from letter to letter along the connecting lines, ignoring the spaces between words. You will need to revisit some letters to spell the team's name. As a hint to get you started, Puzzle 1 starts with the O.
