

Darth Vader #1 misquoted movie line.

Poor Darth Vader. It's bad enough that he lost his wife in childbirth, fought with his son, and embraced the Dark Side of the Force. Now it turns out that we botch his most famous line. Fans mess up *The Empire Strikes Back* quote—"No, I am your father"—more than any other, according to a recent lovefilm.com survey. (We wrongly say, "Luke, I am your father.") At least Vader's in good company. We also misquote cinematic icons like Dirty Harry and Hannibal Lecter (see below).
