

Great Pumpkin

JOHN GINETTI makes
a treat with a few tricks.

The Great Pumpkin is a toddy-style drink that's great on an fall night. I love the autumnal flavor of pumpkin, but it's hard to put in a cocktail without making the drink taste like pumpkin pie. Thankfully, pumpkin butter tastes similar, but it's not as sweet. I like to garnish the cocktail with a cape gooseberry. It looks just like a Chinese lantern. *John Ginnetti is the owner of 116 Crown in New Haven, Connecticut. 116crown.com*
